

## Avington

Facsimile copy of a Howard model, The Avington is handmade using completely traditional methods. The Avington starts comfortable, and only gets better, in the same way that a traditional Howard would. This comfort is achieved with integrated feather and down floating cushion in arms and back, and a sprung seat with feather and down seat cushion. Turned English walnut legs terminate on cup castors, sand cast from originals (they even have the Howard stamp!).

Requires 11m fabric (plain and standard width). Price exclusive of fabric, but includes upholstery costs.
