Max Rollitt in the VIP room he designed for London Craft Week at Somerset House, surrounded by a mixture of antique pieces and his own bespoke furniture

## Max Rollitt

Antiques underpin everything Max Rollitt does – from the beautiful pieces he sells at his Hampshire showroom to the layered, unique interiors he creates for his clients. Having dealt in fine antiques for the best part of 30 years, he has an exacting eye and an innate sense of what is right for a room, which feeds into the designs for his own furniture collection. Working alongside a small team, Max likes to be hands-on with all the interiors projects he takes on, working on just a select few each year.
