MAX ROLLITT
BESPOKE LIGHTING
www.maxrollitt.com

COLUMN LAMP

Our tallest lamp, inspired by an 1890 original, is hand-turned and then hand-painted with either an ebonised or porphyry finish. Equally striking alone or as part of a pair.

Max Rollitt Bespoke

Max's love of antique forms and characterful finishes, innate after many years as a dealer and cabinetmaker, shines through in each piece of lighting.

Our Bespoke pieces are the ultimate expression of Max's pursuit of perfection – decades of experience as an antiques dealer and furniture maker, combined with an impeccable eye for detail.

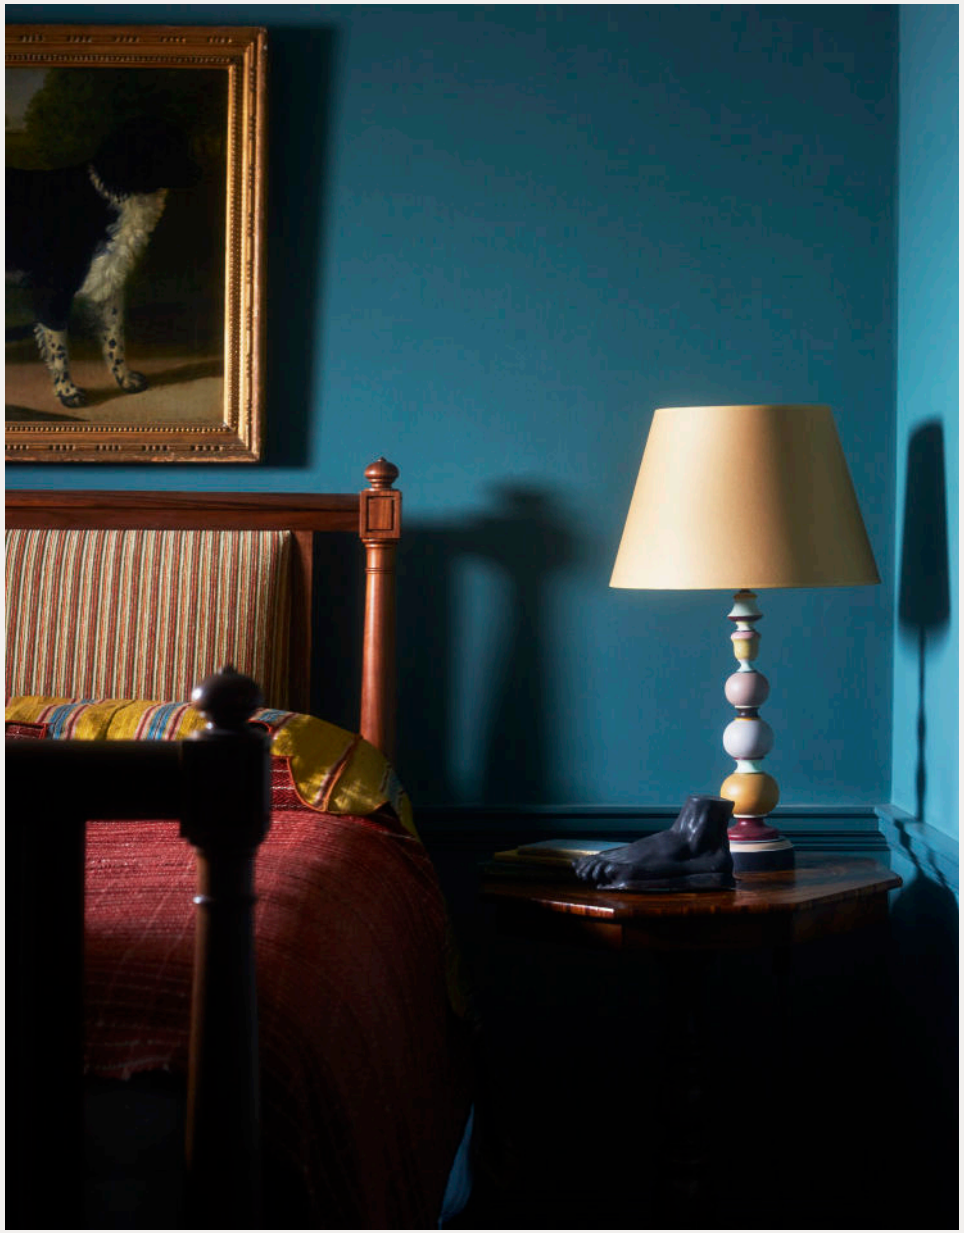
Each piece is crafted with the utmost care by skilled artisans, ensuring exceptional quality, longevity and authenticity.

SORRENTO CHANDELIER

With its hand-turned English walnut body and bronzed arms, the Sorrento chandelier is an Italian-inspired piece that works perfectly with the English vernacular.

MOORISH LAMP

Hand-turned and hand-painted by skilled artisans in Sussex, the Moorish Lamp is a celebration both of North African design tradition and of traditional English craft.



BLOOMSBURY LAMP – AUTUMN

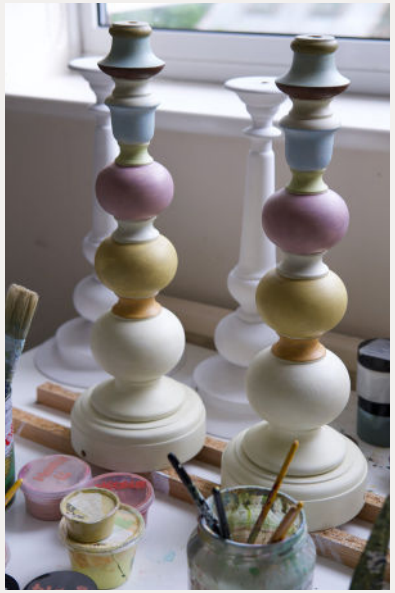
Right (clockwise from top left): Spring, Summer, Autumn, Winter.

CHESS LAMP

The distinctive vase turning of the Chess Lamp gives it a look reminiscent of a pawn on a chessboard. Available in an ebonised, oiled and waxed or matte lapis finish.

BATAVIAN LAMP

Modelled on a treasured antique candlestick from Max's own collection, the Batavian's red lacquer finish is a real labour of love to create.



Made by Hand

Whether hand-thrown on a local potter's wheel or meticulously formed by a master wood turner, our Bespoke table lamps are shaped by skilled hands from start to finish.

Each design reflects Max's enduring love of antique forms and historical elements, whether in the neoclassical column of our Fantastical Lamp or the Charleston-inspired Bloomsbury.

They're also a love letter to the fine art of finishing, using centuries-old techniques to create the impression of ebony, porphyry and lacquer.

LIBRARY LIGHT

A simple clamp-arm library shelf light, constructed from brass and copper with a patinated antique finish. Pairs perfectly with our Pergano Lampshade.

The original antique that inspired our Mrs Pricket lamp.

Welcome to Yavington Barn
Home of Max Rollitt

A hidden gem in the Hampshire countryside, Yavington Barn is a timber-clad former grain store that now houses our showroom, offices and workshops.

Outside, wagtails flit through the courtyard and red kites wheel overhead. Inside, a series of period rooms showcase antiques alongside bespoke furniture.

Life here follows its own rhythm, shaped by the seasons and a steady flow of clients, couriers, restorers and decorators.

We've long cherished this place, so it's a joy to see it named one of Veranda's World's Most Beautiful Shops.
